VERIFIED STATEMENT UNDER 37 C.F.R. 1.821

I, Ann A. Nguyen, state as follows:

1. I prepared the enclosed Sequence Listing, consisting of 10 pages.
2. The enclosed sequence listing is not intended, nor is believed, to add statutory "new matter" to the above patent application.
3. The enclosed 3.5 inch, 1.44MB floppy diskette (labeled as "US Application 09/060,188 Sequence Listing") containing said sequence listing is saved as "US Application 09 060,188 Amended" in ASCII format.
4. The substantive contents of the paper and computer readable copy of the sequence listing are the same.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful, false statements may jeopardize the validity of the application and any patent issuing therefrom.
